

ACCOUNTING TEACHER OF THE YEAR AWARD

The Sage Accounting Teacher of the Year Award, honours a teacher who has achieved provincial recognition for exceptional teaching. Sage software wishes to recognize the individual whose efforts reflect a commitment above and beyond regular teaching considerations. Sage believes these individuals are a valuable asset to the teaching profession and will be role models for other teachers. One award will be presented each year.

The deadline for nominations is **January 31, 2019**. Mail or scan and e-mail nominations along with details demonstrating how the individual has satisfied the criteria below to: **Linda Brown (address below)**

ELIGIBILITY

The nominee must:

- be an OBEA member in good standing
- have taught a number of the accounting courses in their career
(Members of the OBEA executive cannot be nominated)

SUGGESTED CRITERIA

The nominee:

- Has demonstrated a superior ability to foster excellence in accounting education and has contributed to the continuous improvement of student learning
- Has given workshops at OBEA conferences and/or at their Board
- Encourages accounting teachers to join OBEA and students to participate in the annual OBEA provincial contests
- Has been involved in OBEA through participation at any level
- Has been involved with accounting curriculum writing teams for their local board and/or the Ministry of Education
- Has contributed to the development of accounting education in the school
- Has fostered partnerships with the accounting profession to enhance the school program
- Inspires and mentors new teachers especially in the accounting area
- Has taken courses beyond the minimum teaching certificates, for example, leadership development, accounting related courses, etc.

AWARD

The award recipient will receive \$500 towards professional development and a plaque from CPA Ontario. In addition, \$500 will be provided to the school at which the recipient teaches. The \$500 must be used to advance the school's Business Studies program.
